Congratulations to **Indian Trail Tax Prep**, winner of a free 2025 booth!

Booth requests made after the November 15, 2024 deadline will still be honored if space is available, but those booths may not be listed in the catalog.

2001 - 2025

The year 2024 is over half gone, and it is time to think about 2025 Midwest Tool Expo and Auction. 2024 brought record vendors and record crowds. Quite a few vendors commented that they had record sales as the crowd made their way through the venue. We heard a lot more positive than negative comments, therefore, we are keeping a 3 day show. We again are offering a 9 booth 30x30 package deal both in Gold and Silver packages. Complimentary tickets can be purchased to hand out to your customers. See contract sheet.

With record crowds on Friday & Saturday we had thought that the lot might overflow and it did. We had arranged with Shipshewana auction to handle the overflow parking. They had us redirect traffic to the parking lot across from the event center and ran a shuttle service to move the people. We will

do this again Friday & Saturday. The early interest shown by a number of enquiries, emails, and phone calls indicate that it will be a sold out venue.

We want to give our loyal vendors first chance to register booth space, so you will need to get your application in by **October 15th** to secure a spot. After that we will be filling open spots with new vendors. If you had a booth last year and want more space, you need to get your application in by **October 15th** and we will try to accommodate if space is available. The sponsors will get first preference and have a chance to have the same location as last year if they choose to be a sponsor. As always we are open to suggestions and ideas on how to make this event even better.

Wishing you a prosperous rest of 2024 and 2025.

Sincerely Robert Mishler, Ervin And Suella Miller

\$25,000 Giveaway; \$25,000 giveaway with \$5,000 cash given away on Thursday, January 23rd.
